

THURSTON WHITAKER

Etiquette & Character Education for Youth

Program Summary

Thurston Whitaker provides an etiquette and character education curriculum that instructs teachers and participants on classic American etiquette. The components include a teacher's guide, student workbook, group activities, assessment unit and pacing guide. Thurston Whitaker provides on-site orientation, activity scheduling, online resources, documents that may be used to secure funding, pre & post evaluation forms and program support throughout the duration of the program. The material is age and gender specific ranging from 3rd through 12th grades, and custom programs for young adults. There are etiquette programs across the United States. Please check our program map on the website.
